New Thinking:

We know our organization is much better than all other organizations but we need to take some steps to further spread the branch of our organization. We can change the way we think about opening new branches. And with that we can think of improvements to our existing branches

Our main strength is that all our certificates are officially government registered.

We can divide our branch into four types:
1) **Micro Branch**
2) **Smart Branch**
3) **Premium Branch**
4) **Elite Branch**
